Dear Customer

Attached is the order from the NY State Governors office regarding the mask requirement for essential businesses. The paragraph immediately below is from the order and addresses essential businesses and the requirements which take effect April 15th at 8:00 pm.

For all essential businesses or entities, any employees who are present in the workplace shall be provided and shall wear face coverings when in direct contact with customers or members of the public. Businesses must provide, at their expense, such face coverings for their employees. This provision may be enforced by local governments or local law enforcement as if it were an order pursuant to section 12 or 12-b of the Public Health Law. This requirement shall be effective Wednesday, April 15 at 8 p.m.

Also attached is reference information from the CDC pertaining to [DIY Cloth Face Covering Instructions](#). Recognizing the availability of mask is very limited we've included the DIY information as an option that may help establishments address this new requirement.

Please note we cannot guarantee the accuracy of these documents however they're from reputable sources.
